

DESIGN SERVICES

Vintage & Soul Home offers a variety of design services to fit our clients' needs. Whether you are looking to design a brand new space, or existing space, we offer assistance from furniture selection, furniture layout, color selection, decor and styling.

Vintage & Soul Home can assist in the entire project from conceptualization to completion, including collaboration with contractors for large or small scale renovations.

DESIGN OPTION ONE CONSTRUCTION DESIGN CONSULTATION & FURNISHING

This design option is best suited for projects combining construction and furnishing. Our approach involves project management services through all phases of the project.

Includes review of blue prints, rendering production (separate cost), measurements, finish selection, paint selection and production of 1-2 designed spaces with design boards to be reviewed during design meeting. Purchasing services, tracking, and fulfillment of all products included. Depending on scope of project, Design Team will quote price for client based on work involved. Construction budgets are considered separate and coordinated with the contractor.

CONSULTATION **\$350**

DESIGN OPTION TWO IN-HOME DESIGN CONSULTATION

This design option is best suited for projects including furniture, rugs, lighting, window treatments and accessories. Intended for clients that need a vision for designing a layout, sourcing furnishings and decor.

Includes in-home consultation (1 hour), measurements, paint selection (if applicable), and production of 1-2 designed spaces with seating layout options reviewed during design meeting. Purchasing services, tracking, and fulfillment of all products included. This service does not provide any construction design or management.

In-Home Design Consultation \$350 (More than 30 min. travel)

Additional designed spaces are \$150 per room/space

All room design boards are proprietary property of Vintage & Soul Home. Boards are available to purchase for an additional cost.

CONSULTATION **\$250**

DESIGN OPTION THREE IN-HOME DESIGN CONSULTATION FINISHING TOUCHES

Intended for clients who have most of their furnishing in place but need support from a designer to complete the space. Working with a designer, you will receive assistance with decorative details and furniture from our Showroom to tie your room(s) together and bring your vision to life.

Includes in-home consultation (1 hour), measurements and seating layout options (if applicable). Design review meeting is included if purchasing furniture and decor. Construction design or management are not included in this service.

Custom Window Treatment Consultation : This includes measurements, and custom window treatment selection with a designer. Purchasing services, tracking, and fulfillment of products included. Installation is a separate charge and coordinated with a contractor.

CONSULTATION **\$250**
